I don't get sick anymore

By Deborah Larson on October 21, 2016

I've had problems for YEARS getting sick with sinus and upper respiratory infections. It started with a cold and always built into something more. With the MANY benefits of cayenne, I'm feeling much better. My nose isn't constantly plugged anymore. I have limited post nasal drip, and I can sleep all night and breathe through my nose. This has definitely been a life saver for a long time

helps with chronic pain, feels like 1-2mg vicodin sorta, my toes no longer get cold and sweaty and extra smelly, gives a slight energy kick, i take 2-3 caps with lunch-when i take them several times a day i get the ass burning bm, taking them with a vegetable/hemp smoothie i never get the burn, taking a day or two break between doses makes the effect more apparent

I took these hesitantly- afraid they might upset my stomach or be a "burny" exit.

Fears were groundless... all is well.

The one thing I want to say is to take this WITH FOOD. I forgot to take with food one time. ONCE. It was pure hell on my entire abdomen. It burned. I was literally doubled over in pain. No exaggeration. Fortunately by eating and drinking something when the pain and burning occurred, 20 minutes later the burning went away. And when I took it (without food), it took about 15 minutes until I felt the burning. I was lucky to be home when this happened.

As long as I take it with food I'm giving it 5 stars. I haven't seen a true effect that I know of, but time will tell.
